

Are you concerned about the future of transportation on Oahu?

Your comments wanted on the Oahu Regional Transportation Plan 2035

The Oahu Regional Transportation Plan 2035 (ORTP 2035), the official guide for transportation roadways and services to be considered on Oahu through the year 2035, is being developed now. Please come review and discuss the transportation improvements being considered for inclusion in the Plan with the Project Team.

Sample projects include:

- Widen and install new interchanges on H-1 and H-2
- Roadway improvements to help traffic flow and safety
- Expand *TheBus* and van pool programs
- Second Access highway projects
- Bicycle and pedestrian facilities
- New signage and traffic signals
