You're Invited to a Public Meeting - OahuMPO

This is an opportunity for you to talk directly with Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) representatives in an open public meeting concerning your views on the performance of transportation planning for the island of Oahu.

The FTA and FHWA are required by law to certify that the Oahu Metropolitan Planning Organization and its local transportation planning partners are complying with federal requirements for transportation planning. This meeting is part of that review, and is scheduled for:

Time: 3-4:30 pm

Date: Thursday, June 5, 2014

Place: Hawaii State Capitol – Room 309 (415 South Beretania St)

This public meeting is part of a 2-day review of the transportation planning process for the island of Oahu as conducted by the Oahu Metropolitan Planning organization and its planning partners. Your viewpoints will be noted and considered as part of the Federal Review Team's final recommendations.

The FHWA and FTA staff will explain the purpose for the meeting and present a short overview of the Federal metropolitan planning requirements and products. The majority of the time will be devoted to listening to your comments and input regarding the effectiveness of the OahuMPO in responding to these requirements.

We Want to Hear From You!
