Subject: RE: OahuMPO: Reminder about ORTP comments

Amy,

Thank you for your emails and the opportunity to comment to the draft ORTP 2040. The draft report shows under Long-Range Projects 2030 to 2040 - Developer Funded Modernization Projects:

- Project No. 357 - Interstate Route H-2, New Interchange, Pineapple Road Overpass - \$102.5MM
Construct a new full-service freeway interchange on Interstate Route H-2, between Meheula Parkway and Ka Uka Boulevard, to accommodate future developments in Central Oahu. This project includes the widening of the existing Pineapple Road Overpass from two lands to four lanes; and addition of new on- and off- ramps to and from Interstate Route H-2 at Pineapple Road Overpass.

Please move this project to the Mid-Range Project 2019 to 2029 section. The timeframe we are looking at developing this improvement is around 2023-2024 so its placement as a mid-range project is more appropriate.

Please let me know if you have any questions.

Thank you, Laura

Dear CAC members,

As of today, I have received comments on the ORTP 2040 from Al Frenzel, John Goody, Frank Genadio, Andrea Anixt, and Brian Walsh.

If you meant to send me comments (or if you did send me comments but they've gone astray!), please let me know – I am sending out the meeting packets tomorrow so would need to get comments quickly in order to include them.

Thank you much!
Amy

Subject: OahuMPO: Reminder about ORTP comments

Dear CAC members,

At last Wednesday's meeting, we talked about CAC comments to the Oahu Regional Transportation Plan (ORTP) 2040. If you could individually send me comments by this Friday, March 4, I will be able to compile them in time for distribution for our March 16 meeting.

If you need an electronic copy of the ORTP 2040, you can find that here: www.oahumpo.org/ortp2040

Thank you very much!

Amy
