**REVISIONS MADE TO THE
FY2019 OVERALL PROGRAM (OWP) INTERGOVERNMENTAL REVIEW DRAFT**

The Oahu Metropolitan Planning Organization (OahuMPO) released the public and intergovernmental review draft of the FY2019 *Overall Work Program* for public and intergovernmental review on April 27, 2018.

Two of the proposed new projects will no longer be included in the FY2019 Overall Work Program. They are the Pearlridge Transit Center Alternatives Analysis WE 203.15-19 and the Rail System Efficiency Study WE 203.19-19. Each of these projects was budgeted for \$500,000 for a total of \$1,000,000. The attached revised Executive Summary and C-1 Funding Summary tables reflect this adjustment.

Because of timing issues, we encourage submission of your agency comments as soon as possible or by May 28th in order to be considered for incorporation in the Final Draft that will be presented to the Technical Advisory Committee on June 8th for their review.
