Executive Director's Report

Accomplishments and Progress

The Overall Work Program (OWP) FY2020 Revision #3 Draft was posted on June 12, 2020. Revision #3 moves \$24,000 in funds between approved work elements that support OahuMPO staff time.

OahuMPO staff are collecting feedback on the prioritization process for the ORTP 2045 from the technical working group. This process will be used to prioritize projects and programs submitted to the MPO for consideration for funding. OahuMPO staff are tentatively scheduled to bring a revised prioritization process to the advisory committees and Policy Board in July 2020.

Policy Board (PB)

The Policy Board met on May 26, 2020 and discussed and endorsed the FY2021 Overall Work Program (OWP) which included the changes discussed with the TAC at their May 8, 2020 meeting. The OWP was forward to the Federal Highway Administration and Federal Transit Administration on June 1, 2020 for their approval.

Citizens Advisory Committee (CAC)

The CAC did not meet on June 3, 2020, their next meeting is tentatively scheduled on July 1, 2020.
