HONOLULU AUTHORITY FOR RAPID TRANSPORTATION  
(FISCAL YEAR 2019-2021)**

This Finance Supplemental Agreement (“Agreement”), is made and entered into on this First day of July, 2018, by and between the Oahu Metropolitan Planning Organization (“OahuMPO”), a transportation management area metropolitan planning organization (“TMA MPO”) organized under 23 United States Code (“U.S.C.”) Section 134 and 49 U.S.C. Section 5303, and pursuant to Hawaii Revised Statutes (HRS) Chapter 279D, and the Hawaii Department of Transportation (“HDOT”), an agency of the State of Hawaii (“State”), the City and County of Honolulu (“City”), and the Honolulu Authority for Rapid Transportation (“HART”), a semi-autonomous transit agency;

WITNESSETH:

WHEREAS, the Federal government, under the authority of 23 U.S.C. Sections 134 and 135, 49 U.S.C. Sections 5303 and 5304, 23 Code of Federal Regulations (CFR) Subpart C, as amended, and other Federal laws require that a metropolitan planning organization (MPO) be designated for urbanized areas based on a minimum population threshold as defined in Federal law to act as a decision-making agency and to receive certain funds for the purpose of carrying out a continuing, cooperative, and comprehensive transportation planning process (“3-C Planning Process”); and

WHEREAS, consistent with Federal law, HRS Chapter 279D, as amended, provides for the designation of an MPO for each urbanized area of the State; and

WHEREAS, Chapter 279D, as amended, specifies that each MPO shall be operated according to an executed comprehensive agreement between its member jurisdictions or authorities concerning its organization and structure, the roles and responsibilities of its member jurisdictions or authorities, and the provision of funding and membership dues; and

WHEREAS, the State, City, and HART have entered into such a comprehensive agreement of July 20, 2015 (“Comprehensive Agreement”); and

WHEREAS, the OahuMPO is designated under 23 U.S.C. Sections 134(d)(1) and 134(k), as amended, as the TMA MPO for the island of Oahu, encompassing the Honolulu and Kailua-Kaneohe urbanized areas; and

WHEREAS, HRS Chapter 279D, requires the MPO policy board to identify member financial dues necessary to sustain the MPO, and that member financial dues be provided by interagency agreement with the members; and

WHEREAS, the State, the City on behalf of its DTS Director, and HART executed a Finance Supplemental Agreement for FY 2016-2018 on the First day of July, 2015, with a term of three (3) years; and WHEREAS, the State, the City on behalf of its DTS Director, and HART have agreed to pay dues in equal shares to fund OahuMPO, subject to the availability of funds and any necessary appropriations;

NOW, THEREFORE, in consideration of the promises, mutual covenants, and representations set forth herein, the parties hereto desiring to be legally bound, do hereby agree as follows:

#### **SECTION A. PURPOSE**

For the reasons recited in the foregoing recitals, which are hereby adopted as part hereof, the purpose of this Agreement is to serve as the interagency agreement for the payment of member dues (“Dues”) by the State, the City on behalf of its DTS Director, and HART, to provide local financial support deemed necessary for the function of the OahuMPO to carry out the 3-C Planning Process, consistent with the terms of the Comprehensive Agreement.

#### **SECTION B. APPROVAL AND ALLOCATION OF FISCAL YEAR 2019-2021 FUNDING REQUIREMENTS.**

B.1 Approval of Funding to OahuMPO. On an annual basis, HDOT, DTS, and HART shall seek funding for Dues payable to the OahuMPO in their annual budgets for fiscal years 2019-2021 in the amount indicated in Subsection B.2 below.

B.2. Allocation of Funding to OahuMPO. The State, the City on behalf of its DTS Director, and HART each agree to pay ONE HUNDRED TWENTY-FIVE THOUSAND DOLLARS (\$125,000) as Dues to OahuMPO each year for fiscal years 2019-2021, subject to the availability of funds and any necessary legislative appropriations, to be utilized by the OahuMPO, in accordance with the Comprehensive Agreement and this Agreement. Said funds shall be paid to OahuMPO on an annual basis not more than thirty (30) days after the start of each federal fiscal year.

This total amount of Dues was identified as necessary to sustain OahuMPO and would allow OahuMPO to leverage approximately 89% of its annual Federal planning grants from the Federal

Highway Administration and Federal Transit Administration to support its operation and planning program.

### **SECTION C. REPORTING REQUIREMENTS.**

C.1. Reports to the Policy Board, State, City, and HART. The OahuMPO shall provide a written report to the Policy Board and to the State, City, and HART on a semi-annual basis commencing January 1, 2019, which will include an accounting of all the approved, active work elements from the Unified Planning Work Program, also known as the Overall Work Program (“OWP”). The report shall identify each work element, the budget allocated to the work element, the budget expended for each work element, and the remaining Federal and local funds of each work element. The report shall also account for unbudgeted local funds and unbudgeted Federal spending authorization. Each semi-annual report shall be cumulative.

C.2. Progress Reports for OWP Work Elements. The programs and projects conducted as part of the OWP may be undertaken by the State, City, or HART, or by the OahuMPO itself. The manager of each of those work elements shall provide to OahuMPO’s Planning Program Manager a semi-annual progress report in the format and according to the schedule specified in the OWP Procedures.

### **SECTION D. USE AND LAPSE OF FUNDS.**

D. 1. Use of Funds. The funds provided by the State, City, and HART under this Agreement will be used to match Federal funds based on the approved OWP. Funds provided by the State, City, and HART under this Agreement may also be used to fully fund projects not involving any Federal funds as determined by the approved OWP. The funds provided by the State, City, and HART under this Agreement will not be linked to any specific OWP project. The OahuMPO Policy Board shall make all decisions regarding the budgeting of the TMA MPO’s collective resources. All local funds will be pooled together for purposes of matching Federal grants. To simplify the accounting process, parties to this agreement acknowledge and agree that they are contributing a pro-rata share to all local match that is obligated to work elements in the approved OWP.

D.2. Lapse of Funds. As provided for in the Comprehensive Agreement, the funds provided by the State, City, and HART under this Agreement shall not lapse less than three (3) years after obligation of said funds, subject to any applicable federal state, or county law that requires the funds to lapse prior to the three-year period. Lapsed funds shall be used to offset the dues requirement for the next fiscal year immediately following the lapsing of the funds. The parties to

this agreement acknowledge and agree that all lapsed funds will be composed of pro-rata shares from each contributing party, and will be thus credited to each contributing party.

#### **SECTION E. APPROVAL OF THE OVERALL WORK PROGRAM.**

The OahuMPO Policy Board has the sole authority to approve the OWP and transmit it, via the OahuMPO Executive Director, to Federal Highway Administration (“FHWA”) and Federal Transit Administration (“FTA”) for approval by the United States Department of Transportation.

#### **SECTION F. FEDERAL PARTICIPATION AND USE OF FEDERAL FUNDS.**

F.1. Federal Participation. It is understood and agreed by the parties that in order to permit OahuMPO participation in the expenditure of Federal Public Law (“PL”) Funds and Section 5303(d) Funds, this Agreement shall be subject to the approval of the FHWA and FTA. The parties agree no supplemental agreement of any nature may be entered into by the parties hereto involving the expenditure of use of Federal PL or Section 5303(d) Funds without the approval of FHWA and FTA, or as otherwise provided for in this section.

F.2. Use of Federal Funds. The OahuMPO and the State, City, and HART agree that no Federal appropriated funds in connection with this Agreement have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, grant, loan, or cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan or cooperative agreement.

In accordance with 49 CFR 20.1000 and 31 U.S.C 1352, parties utilizing Federal funds from the FTA agree to file a certification and disclosure form upon award of Federal contract, grant, or cooperative agreement exceeding One Hundred Thousand Dollars (\$100,000).

#### **SECTION G. REVIEW OF LOCAL FUNDING REQUIREMENTS.**

The amount of the local funding requirements shall be reviewed by the parties to this agreement at least once every three (3) years. In consultation with the OahuMPO Policy Board, the State, City, and HART shall determine the amount of Dues to be paid annually upon termination of this Agreement and execution of a new, three (3) year agreement.

**SECTION H. EFFECTIVE DATE AND TERM**

Section H.1. Effective Date. The effective date of this Agreement shall be July 1, 2018. A copy of the executed agreement shall be filed with both FHWA and FTA.

Section H.2. Term. This Agreement shall have a term of three (3) years. At least 90 days prior to expiration of the term, the parties shall review and, if warranted, update the Agreement. The term of this Agreement shall commence on the effective date and terminate on June 30, 2021.

**SECTION I. INTERPRETATION.**

The headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement.

**SECTION J. DISPUTES.**

As stated in Section F.2 of the Comprehensive Agreement, the parties hereto shall make a good-faith effort to resolve any disputes related to OahuMPO.

**SECTION K. AUDIT AND RECORDKEEPING PROCEDURES.**

The OahuMPO shall keep and maintain all records related to this Agreement and the services rendered pursuant to this Agreement for the period of three (3) years or as required by other applicable Federal or State law, whichever is greater. Records shall be furnished to the State Auditor for the annual single audit and to HDOT, DTS, and HART upon request. Said records shall be made available to the public for inspection, examination, and copying pursuant to the terms of Hawaii Revised Statutes Chapter 92F (“Uniform Information Practices Act”). If any litigation, claim, or audit is commenced, said records shall be maintained until all litigation, including appeals, claims, or audits have been concluded or resolved.
