Executive Director's Report

Accomplishments and Progress

OahuMPO staff held an O'ahu Regional Transportation Plan (ORTP) 2045 working group meeting on Friday, October 23rd. During the meeting, staff provided an overview of the project and program applications received for consideration of Federal transportation funding, and their evaluation and scoring.

The OahuMPO staff attended the bi-annual Sub-Statewide Transportation Advisory Committee (SubSTAC) meetings on October 21-22, 2020. The SubSTAC working group consists of members from HDOT, DTS, FHWA, OahuMPO, Maui MPO and other agencies working cooperatively with the focus of improving transportation outcomes and policy. Topics at this meeting included public outreach in these COVID-19 times, equity issues, the Hawaii Statewide Transportation Plan, emerging trends for clean transportation.

Technical Advisory Committee

The TAC met on October 9, 2020, received the DTS Transit Safety Targets Presentation and the Public Participation Phase 1, Oahu Regional Transportation Plan 2045 Chapter Presentation.

Citizens Advisory Committee (CAC)

The CAC members met on October 7, 2020, received the DTS Transit Safety Targets Presentation, were informed of the two CAC Study Proposals submitted for the FY 2022 Overall Work Program, and were advised they can view the Public Participation Phase 1, Oahu Regional Transportation Plan 2045 Chapter Presentation and document on OahuMPO's website.
