Executive Director's Report

Accomplishments and Progress

OahuMPO sought feedback on the FFYs 2022-2025 Transportation Improvement Program (TIP). The TIP identifies highway, transit, arterial and local street, pedestrian, bicycle, and alternative transportation projects and programs that will receive federal transportation funds in the short-term. Projects and programs must be listed in the TIP before they can receive any federal funds.

The deadline for submitting comments was June 22, 2021. The FFYs 2022-2025 TIP and the comments received, will be presented at July's Committee and Policy Board meetings.

FFYs 2022-2025 Transportation Improvement Program Open Houses

OahuMPO staff co-hosted three TIP Open Houses with representatives from Hawaii Department of Transportation, City and County of Honolulu Department of Transportation Services, and Honolulu Authority for Rapid Transportation. The purpose of the Open Houses was to explain who OahuMPO is, what the TIP is and why it is important, and provide attendees the opportunity to ask questions and provide comments about projects and programs in the TIP. The three virtual meetings occurred on Saturday, June 5th, Monday, June 7th, and Monday, June 14th.

A total of 20 community members participated and 30 comments and questions were received.

The Executive Director position description is expected to be posted at the end of this week on the OahuMPO, HDOT, DHRD, and Association of Metropolitan Planning Organizations (AMPO) websites. If you know of any interested and qualified candidates, please encourage them to apply and direct them to the OahuMPO website at the URL below for further information.

Technical Advisory Committee (TAC)

The TAC met on June 16, 2021 and received a presentation on the FFYs 2019-2022 Transportation Improvement Program (TIP) Revision #20 and recommended Policy Board approval. The TAC also received the Overall Work Program (OWP) Quarterly Report update on the draft work element management templates they had requested. Their next meeting is scheduled for July 9, 2021.

Citizen Advisory Committee (CAC)

The CAC met on June 2, 2021 and received a presentation on the FFYs 2019-2022 Transportation Improvement Program Revision #19 and Revision #20. Their next meeting is scheduled for July 7, 2021.
