VI. New Business

A. Transportation Improvement Program (TIP) FFYs 2022-2025 Revisions #7

The Transportation Improvement Program (TIP) schedules important surface transportation projects for funding and is developed every three years. OahuMPO's Assistant Transportation Planner Dallas Ige will present the Revisions #7 of the FFY 2022-2025 TIP which was developed by OahuMPO staff in coordination with the staff of member agencies.

Revision #7 of the FFYs 2022-2025 TIP is an Expedited Administrative Modification. Hawaii Department of Transportation (HDOT) is planning to advance OS17 - *Interstate Route H-1, Kapolei Interchange Complex, Phase 3*, from FFY 2025 to FFY 2022. HDOT will also be "federalizing" this project. This means, in 2025, the project will be programmed without federal aid. Instead, funding will be solely from the state's new Rental Car Surcharge increase. When HDOT advances this project to 2022, they will be adding federal aid to help defray the state's costs. In addition, HDOT will be creating an "advance construction" conversion line item with conversion planned for 2023. Advance construction is a fiscal planning tool to help spread out the federal reimbursements and ensure the STIP/TIP is fiscally constrained.

Requested Action: Policy Board approve Revisions #7 of the Transportation Improvement Program as presented.
