Title 23 United States Code sections 134-135 and Title 49 United States Code 8 sections 5303-5304 and other federal laws require that metropolitan planning organizations (MPOs) be designated based on a minimum population threshold as defined in federal law to act as a decision-making agency and to receive certain funds for the purpose of carrying out a continuing, cooperative, and comprehensive transportation planning process. Act 132 (2015) designated the O'ahu Metropolitan Planning Organization (OahuMPO) to be the MPO for the island of O'ahu. It was also designated as a transportation management area (TMA) to be administratively attached with the State Department of Transportation (HDOT).

This Title VI and Environmental Justice (T6/EJ) Program Implementation Plan for OahuMPO outlines how the OahuMPO will provide equal access to the transportation planning process and will ensure that it is non-discriminatory in its policies, programs and activities. It is guided by 23 CFR 200 for FHWA requirements and FTA Circular C 4702.1B for FTA requirements. The Plan was completed in close consultation with the Hawai'i Department of Transportation Civil Rights Office which has oversight over OahuMPO on T6/EJ program implementation.

O'AHU METROPOLITAN PLANNING ORGANIZATION

Title VI and Environmental Justice Program Plan

Statement of Policy

The OahuMPO complies with Title VI of the Civil Rights Act of 1964, 49 CFR, part 21, and all related regulations and directives. It assures that no person shall, on the grounds of race, color, national origin, gender, age, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity under any of its program, activity or service. It assures also that every effort will be made to prevent the discrimination of low-income and disadvantaged populations following Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations. Finally, it assures that every effort will be made to provide meaningful access to persons that have Limited English Proficiency ("LEP"), following Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency.

A signed Statement of Policy is included as Attachment 1.

Title VI Assurances

This OahuMPO Title VI/Environmental Justice Plan applies to all OahuMPO programs, activities, and services, regardless of funding source. As a recipient of federal transportation planning funds from the United States Department of Transportation, OahuMPO acknowledges the relevant authorities guiding the use of federal funds and signs on to several general and specific assurances that are required by the U.S. Department of Transportation of MPOs. The signed set of Assurances, including Appendices A-E, and as required by the Federal Highway Administration (FHWA) is presented in Attachment 2.

Organization and Staffing

The organization structure is outlined in Chart 1. The Policy Board is OahuMPO's decision-making body. It has two advisory committees, the Technical Advisory Committee ("TAC") and the Citizen Advisory Committee ("CAC"). The TAC is tasked with providing technical input while the CAC is tasked with public input. The OahuMPO staff, led by the Executive Director, supports the Policy Board, TAC and CAC. It enlists consultants, service providers, and partner agencies to carry out some of its work.

Chart 1. OahuMPO Organizational Structure

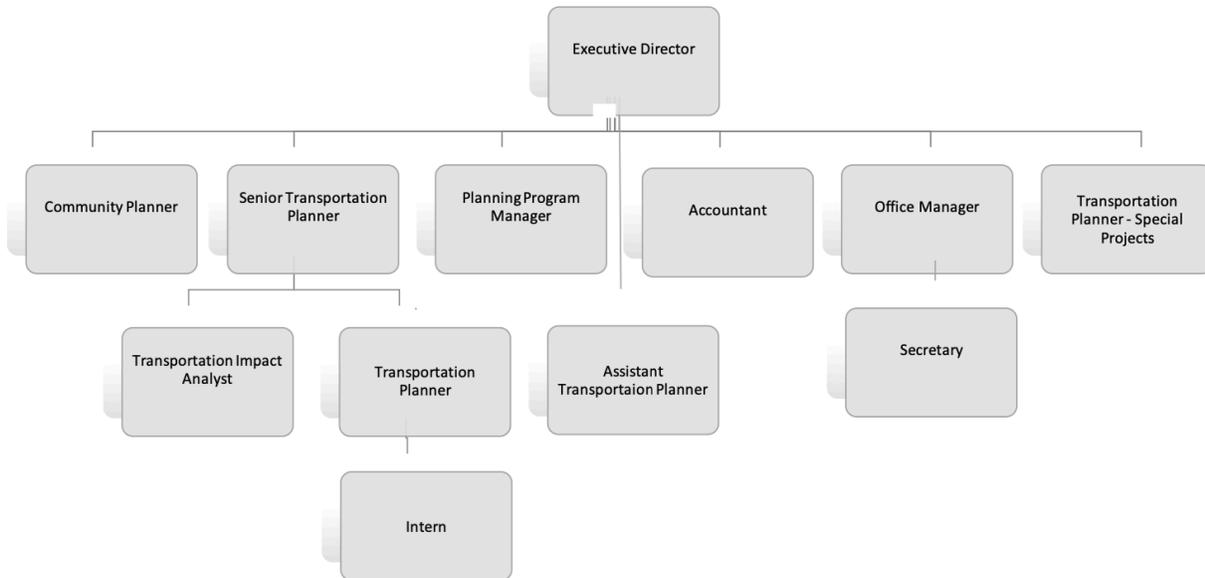

Chart 1. Chart is referenced in the OahuMPO Overall Work Program FFY 2023.

The Executive Director is the OahuMPO’s designated Title VI Coordinator and Title VI Complaint Officer. This position leads the administration of the Title VI program and is invested with the authority to sign official documents on behalf of the OahuMPO. This ensures there are adequate resources, including qualified staff, to address the following T6/EJ responsibilities:

- Coordinate T6/EJ program development within the OahuMPO;
- Establish procedures for implementing T6/EJ program review and subcontractors’ review;
- Coordinate Title VI training for staff;
- Prepare required reports;
- Provide advice on T6/EJ program to staff, Policy Board, CAC and TAC;
- Review and update this Plan as needed;
- Receive and respond to T6/EJ complaints.

The Community Planner will assist as the Title VI liaison to HDOT and will be the member of the HDOT interdisciplinary team.¹ Other staff members will support the T6/EJ program based on their job descriptions and as assigned by the Executive Director.

¹ See page 10 of the HDOT Title VI Plan which is posted on <https://hidot.hawaii.gov/administration/files/2021/09/FHWA-FY-2022-Title-VI-Plan-DRAFT-09.27.2021-final-part-1-signed.pdf>

Program Areas

The OahuMPO is specifically responsible for the following:

1. O'ahu Regional Transportation Plan (ORTP). This is the long-range, comprehensive plan that will identify projects, programs, and policies to meet the transportation needs of O'ahu. This plan looks at a 20- to 25- year period. Using various data collected by the OahuMPO, the ORTP can estimate growth patterns of disadvantaged populations and address the benefits and burdens that future transportation projects might have. OahuMPO actions include:

- Developing demographic profile maps that project growth in disadvantaged populations over at least a 20- to 25- year planning horizon;
- Allowing all population the opportunity to provide on proposed projects, and reaching out especially to T6/EJ population;
- Assessing the effects that future land use decisions and transportation projects might have on neighborhoods, the environment, and the economy;
- Ensuring that the benefits and impacts of future transportation systems are equally distributed among all areas covered by OahuMPO planning;
- Articulating performance targets for equity.

2. Transportation Improvement Program (TIP). This is a four-year program of federally-funded projects that will be designed, engineered, and constructed. OahuMPO actions include:

- Working with the entities to identify transportation projects that serve areas with low income and minority populations;
- Provide the opportunity for all populations to give input into project identification;
- Develop a performance target for a percent of projects and transportation investments that serve T6/EJ populations.

3. Overall Work Program ("OWP"). The OWP is the biannual program of planning activities to be carried out by OahuMPO and eligible government agencies. Activities in the OWP generally fall into one of two categories: OahuMPO operations/budget work elements and subrecipient work elements. OahuMPO actions include:

- Identification of planning activities that will encourage involvement by all, including T6/EJ members and stakeholders;
- Guidance and monitoring of OahuMPO's subrecipient agreements and work progress reports, including elements that are relevant in helping the OahuMPO meet its overall T6/EJ program requirement;
- Use of project scoping and agreements to motivate subrecipients' cooperation.

The development of these work products is guided further by a set of Policy Board-approved policies and procedures.

Data Collection and Equity Analysis

The OahuMPO uses data from the U.S. Census, public outreach, information on poverty guidelines from the U.S. Department of Health and Human Services, and others. The types and analysis is consistent with HDOT's data collection process outlined in HDOT's Title VI Plan Attachment D². The OahuMPO uses a GIS-based T6/EJ analysis tool developed to analyze the potential impacts of the Oahu Regional Transportation Plan (ORTP) and Transportation Improvement Program (TIP) projects on those populations. The data tool identifies the concentration of T6/EJ groups per block group, separating "EJ Area" and "non-EJ Area." The equity analysis tool compares federally funded transportation projects between the two areas to determine Average Per Capita Investment from total project costs. Current procedures are documented in the OahuMPO Title VI/Environmental Justice Analysis Update Report dated September 15, 2015.

The OahuMPO joins other MPOs and working groups made up of implementing and partner agencies in addressing the need to fully identify the benefits and burdens of transportation investments to minorities, disadvantaged, and low-income population. It will continue to watch out for new data analytics, explore reasonable use of available secondary data and be innovative in measuring equity, and collect primary T6/EJ data for its planning processes and studies.³

Subrecipient Review Procedures

The term "subrecipient" has two contexts in this Plan. In the first context, the OahuMPO is a subrecipient of HDOT because federal funds apportioned to OahuMPO are received via the HDOT. In this first context, the OahuMPO will cooperate with any planned review set by the HDOT. It will seek technical assistance from HDOT, FHWA or FTA as needed. In the second context, subrecipients refers to the eligible government agencies that receive planning funds through the OWP. In this context, the OahuMPO monitors and reviews sub-award agreements, semi-annual work progress reports, and closeout reports. It also provides orientation or technical assistance to its subrecipients, as needed.

Staff Training

² See page 40 of HDOT Plan in <https://hidot.hawaii.gov/administration/files/2021/09/FHWA-FY-2022-Title-VI-Plan-DRAFT-09.27.2021-final-part-1-signed.pdf>

³ See page 7 of the 2018 USDOT FHWA and FTA TMA Federal Certification Review Report. The review recommends a more robust analysis of the benefits and impacts starting with the next ORTP and TIP. Refer to https://www.oahumpo.org/?wpfb_dl=1477

Key training for the Title VI program is coordinated with HDOT. As part of their orientation, all new Policy Board and advisory committee members and OahuMPO employees are informed of this Plan and OahuMPO's T6/EJ program obligations. All staff members are encouraged to avail themselves of free training, including FHWA National Highway Institute training on fundamentals of environmental justice and those offered by relevant State agencies (e.g., as the Office of Language Access, Office of Information Practice, and the State Disability Communication and Access Board.⁴ The OahuMPO staff engages in periodic self-assessment, formally and informally, to identify competency gaps and solutions, distinguishing what can be solved through training and non-training methods. Opportunities for training are proactively sought as part of the effort to continuously improve compliance.

Complaint Procedures and Reporting

The public notification of rights under Title VI includes instructions on how to file a Title VI or discrimination complaint. In alignment with HDOT's Title VI Plan,⁵ complaints received by the OahuMPO will be guided by the procedures outlined in Attachment 3.

The OahuMPO has not received any Title VI complaints nor lawsuits and has not been part of any investigation to date. If it does, it will include this in annual reports and cover the following, but not limited to said elements:

1. Item- complaint, investigation or lawsuit
2. Date Filed – month, day, and year
3. Summary, including basis of complaint (race, color, national origin or others)
4. Status of the complaint
5. Action(s) taken, if any

Dissemination of Title VI Information

The following elements of information dissemination are meant to reduce barriers to participation by low income, minority or disabled individuals:

- Notifying the public of their right Under Title VI in vital documents, office, meeting places, and website. See Attachment 5.
- Disseminating public notice of meeting agenda to members of the public via accessible printed and electronic media, including posting on the OahuMPO website, City and County government event calendar, and State of Hawai'i event calendar. The public notice will include instructions for auxiliary services like language interpretation and text telephone. See Attachment 6.
- Inclusion of agencies and organizations that represent low income, minority, and disabled populations in OahuMPO notification lists.

⁴ For examples, see 1) <http://health.hawaii.gov/ola/training-and-conferences/>
2) <https://oip.hawaii.gov/training/> and 3) <http://health.hawaii.gov/dcab/ada-curriculum-for-state-and-county-government-entities/>

⁵ See page 36 of the HDOT Title VI plan in <https://hidot.hawaii.gov/administration/files/2021/09/FHWA-FY-2022-Title-VI-Plan-DRAFT-09.27.2021-final-part-1-signed.pdf>

- Evaluation of Title VI and Environmental Justice action to ensure the effectiveness of information dissemination and other elements of public participation.
- Providing procedures and forms for filing a discrimination complaint against the OahuMPO.
- When possible, holding public meetings in locations that are convenient to low- and moderate-income neighborhoods and accessible to disabled populations.
- Upon request, all OahuMPO work products and documents will be made available in alternative formats (e.g. large type and languages other than English.)

Public Participation Plan

The OahuMPO maintains and updates a Public Participation Plan (PPP).⁶ The PPP does the following:

- Outlines and demonstrates opportunities for public involvement and comments on key decision points during the development and planning of key OahuMPO work products;
- Requires the need to address participation of T6/EJ populations.
- Recognizes the Citizen Advisory Committee (CAC) as a key entity in early and continuous public involvement. The CAC bylaws call for a CAC that is broadly-based to include minorities and disadvantaged groups.
- Requires further customization of public outreach and involvement for ORTP, TIP, and special studies. Partner agencies, like the City's Department of Transportation Services, and their consultants may choose to be guided by their public involvement methods and processes that meet federal requirements.
- Identification of resources on PPP techniques, tools, and methods.

Among others, customization of public outreach and involvement must address the following Title VI and Environmental Justice (EJ) goals:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations;
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process;
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority and low-income populations.

Compliance and Enforcement Procedures

⁶ The current OahuMPO's PPP is posted on <https://www.oahumpo.org/plans-and-programs/public-participation-plan/>

In alignment with the HDOT Title VI Plan, the OahuMPO cooperates with HDOT and participates in the latter's conduct of periodic Federal Title VI regulation compliance review. Self-reviews, as the need arises, are conducted from time to time to correct deficiencies.

The required annual report is completed, not only for information, but also as an assessment of how the OahuMPO is faring in Title VI program implementation. An outline of this report is based on the HDOT Title VI Plan⁷ and is presented in Attachment 7.

Limited English Proficiency

An OahuMPO Language Access Plan, aligned with the HDOT Language Access Plan⁸, is presented in Attachment 8. It outlines the reasonable steps to assess and address the needs of individuals who, due to limited English proficiency (LEP), cannot fully and equally participate in or benefit from OahuMPO programs and activities.

Special Emphasis Program Areas

It is the HDOT's role to identify areas as having potential discriminatory patterns. If warranted, the OahuMPO will consider recommending to the HDOT areas for special emphasis consideration.

Plan Update and Submission

This Plan is a combination plan and designed to meet FTA and FHWA requirements. As such, it is reviewed annually by FHWA and every three years by FTA. The OahuMPO submits the annual update for HDOT and FHWA approval no later than September 30. It submits updates for HDOT and FTA approval every three years. When there are no changes, the OahuMPO simply renews signatures on the policy statement and assurances document. The OahuMPO also submits annual accomplishment reports for FHWA requirements and triennial accomplishment reports for FTA requirements. Accomplishment reports are submitted every October of each year.

Additional FTA Requirements

A. A table depicting the membership of non-elected committee and councils, the membership of which is selected by the recipient, broken down by race, and a description of the process the agency uses to encourage the participation of minorities on subcommittees.

⁷ See page 31 in <https://hidot.hawaii.gov/administration/files/2021/09/FHWA-FY-2022-Title-VI-Plan-DRAFT-09.27.2021-final-part-1-signed.pdf>

⁸ See Page 45 in the above link.

The Policy Board and the Technical Advisory Committees are non-elected bodies, whose membership is established in the Comprehensive Agreement. The CAC member organizations are not selected by the OahuMPO but applications for membership must be approved by the Policy Board.

At present, 25 of the 36 O’ahu’s publicly-elected neighborhood boards are members of the CAC. The Neighborhood Board Commission office’s latest demographic profile of neighborhood boards is dated 2000.⁹ The OahuMPO will encourage said office to update the data. Of the 17 current non-neighborhood board members in the CAC, three entities advocate for subgroups of T6/EJ population. They are the American Association of Retired Persons (AARP), Citizens for a Fair ADA ride (CFADAR), and the Hawai’i Association of the Blind.

A breakdown of the CAC by ethnicity/race is presented below alongside the population of Honolulu County to ensure that the CAC is representative of Honolulu’s T6/EJ population.

Table 1. Ethnicity/Race Data Profile for O’ahu Population and CAC members

	2022 CAC Mid-Year Survey	2019 ACS 1-Year Estimates (Honolulu County)
Total Population	35	974,563
One Race	46.9%	79.1%
Two or More	50%	20.9%
Ethnicity/Race (Alone or in combination with one or more races)	2022 CAC Mid-Year Survey	2019 ACS 1-Year Estimates (Honolulu County)
White	75%	36.4%
Black or African American	3.1%	4.2%
Asian	50.0%	61.4%
Native Hawaiian and Other Pacific Islander	18.8%	23.1%
Hispanic	21.9%	10.0%
Some other race	25.0%	4.7%

Notes: Data is derived from the CAC 2022 Midyear Survey Results as of August 15, 2022 and the 2019 American Community Survey 1-Year Estimates. Both surveys asked respondents to select more than one ethnicity/race, if applicable. The 2022 CAC Midyear survey reflects answers from 31 of 35 CAC representatives.

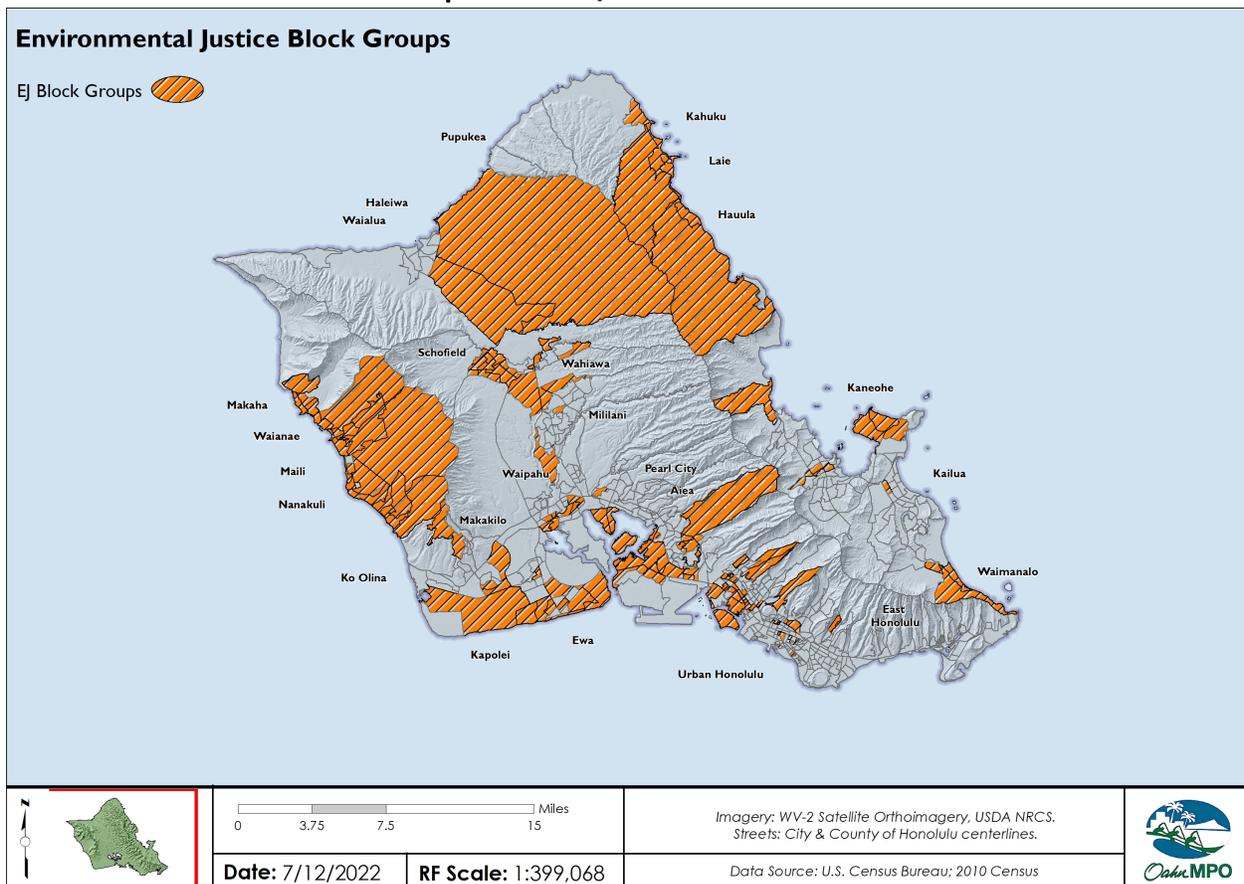

⁹ See Demographic Characteristics of Neighborhood Boards 2000 in <http://www.honoluludpp.org/Portals/0/pdfs/planning/demographics2/2000/GeneralCharacteristics/2000-NA.pdf>

During the last fiscal year, the OahuMPO transportation planner informally reached out to umbrella organizations of the three large ethnic minorities namely Hawaiians, Filipinos and Micronesians. Leaders were invited to attend the CAC meetings, a prerequisite before becoming a full-fledged CAC member-organization. These organizations are the Association of Hawaiian Civic Clubs, the O’ahu Filipino Community Council, and the We are Oceania.

B. Demographic Profile of the Metropolitan Area

The map below visually summarizes the areas with larger T6/EJ population. The areas were determined based on a methodology that is outlined in the OahuMPO Title VI /Environmental Justice Analysis Update Report dated September 15, 2016.

Map 1. Title T6/EJ Profile of O’ahu

Source: OahuMPO Title VI /Environmental Justice Analysis Update Report dated September 15, 2016

C. Description of the procedures by which the mobility needs of minority populations are identified and considered within the planning process.

OahuMPO's procedures include secondary data analysis, stakeholder analysis, and a PPP that intentionally requires outreach to T6/EJ population and customized public involvement plans for ORTP, TIP, and special studies.

Customized public involvement plans may be presented to the advisory committees and Policy Board for comments. A working group from partner agencies and implementing agencies may be established, as needed, to vet customized public involvement plans and to support implementation. For special studies that are done by partner agencies, public involvement plans may be customized based on their respective public participation plans.

As an example of a customized public involvement plan, the recent ORTP 2050 Public Involvement Plan places value on inclusivity and the missing voices of planning processes. In previous evaluations of outreach efforts conducted in the ORTP 2045, several groups were identified as missing voices or underrepresented in the ORTP development process. The subgroups were zero car households, the homeless, limited English proficiency populations, single parent households, and youth populations (both 18 and under and those aged 18-24). To address this, the MPO plans to work with organizations that target zero car households and homeless populations to distribute surveys and informational materials, use software programs to provide materials in prevalent languages on Oahu, collaborate with the organization, Single Parents At Manoa, to reach stakeholders from this subgroup, to utilize contacts at UH Manoa to distribute surveys and plan materials campus wide via email, and support the efforts of Overall Work Program Subrecipient, the Uehiro Academy, to reach youth groups.

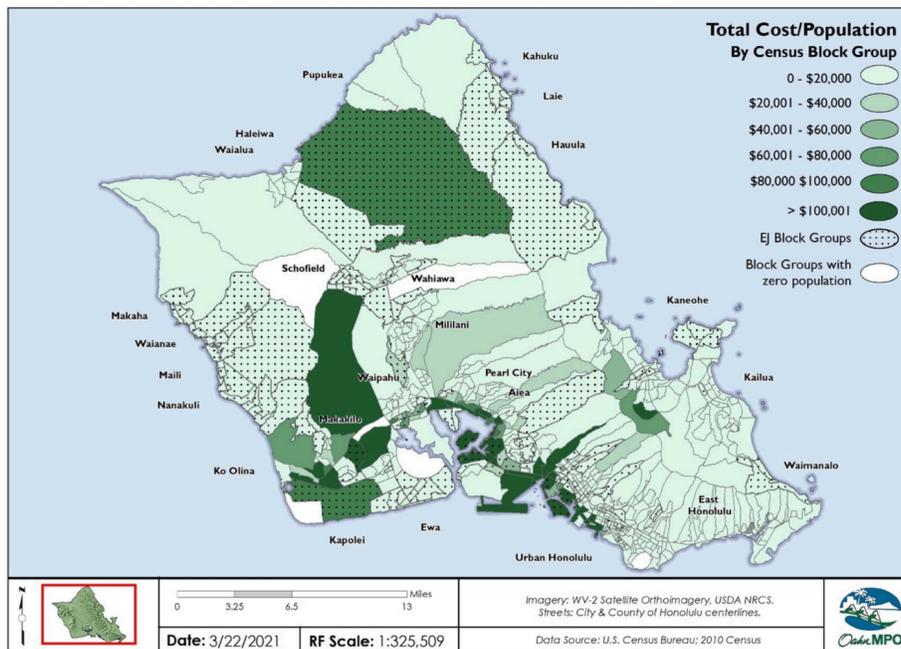

The PPP requires an evaluation of implementation to learn lessons, both promising practice and areas for improvement.

C. Demographic maps that show the impacts of the distribution of State and Federal funds in the aggregate of public transportation projects.

Map 2 illustrates the result of the current method of indicating impact. The method estimates per capita investments in T6/EJ and non-T6/EJ areas. This method was used in analyzing the Oahu Regional Transportation Plan 2045.

Map 2. Total Per Capita Spending: ORTP 2045

Total Per Capita Spending Planned - ORTP 2022 - 2045

Source: https://www.oahumpo.org/?wpfb_dl=2170

D. Analysis of the MPO's transportation system investment that identifies and addresses any disparate impacts.

Based on the TIP FFYs 2022-2025, all FTA projects therein are island-wide except for the Honolulu Rail Project.¹⁰

¹⁰ The OahuMPO's working group on ORTP 2045 has called for the inclusion of equity as part of long-term vision and goals. The FHWA and FTA concepts of disparate impact and disproportionate burden are as follows:

Disparate Impact: A facially neutral policy or practice that disproportionately affects members of a group identified by race, color, or national origin, where the policy or practice lacks a substantial legitimate justification and where there exists one or more alternative policies or practices that would serve the same legitimate objectives but with less disproportionate effect on the basis of race, color, or national origin.

Disproportionate Burden: A neutral policy or practice that disproportionately affects low-income populations more than non-low-income populations. A finding of a disproportionate burden requires the evaluation of alternatives and mitigation of burdens where practicable.

Title VI and Environmental Justice Policy

The O'ahu Metropolitan Planning Organization (OahuMPO) is the regional transportation planning agency for the island of Oahu. Federal regulations require that an MPO be designated to carry out a comprehensive, continuing, and coordinated transportation planning process for urbanized areas with a population of 50,000 or more. The Hawai'i Department of Transportation (HDOT) is the fiscal and administrative agent for the OahuMPO.

The OahuMPO complies with Title VI of the Civil Rights Act of 1964, 49 CFR, part 21, and all related regulations and directives. It assures that no person shall, on the grounds of race, color, national origin, gender, age, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity under any of its program, activity or service. It assures also that every effort will be made to prevent the discrimination of low-income and disadvantaged populations following Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations. Finally, it assures that every effort will be made to provide meaningful access to persons that have Limited English Proficiency ("LEP"), following Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency.

Title VI Standard Assurances

The O‘ahu Metropolitan Planning Organization, (herein referred to as the “OahuMPO”), HEREBY AGREES THAT, as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation (USDOT), through the *Hawai‘i Department of Transportation (HDOT)*, is subject to and will comply with the following:

Statutory/Regulatory Authorities

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 C.F.R. Part 21 (entitled *Nondiscrimination In Federally-Assisted Programs Of The Department Of Transportation – Effectuation Of Title VI Of The Civil Rights Act Of 1964*);
- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);

The preceding statutory and regulatory cites hereinafter are referred to as the "Acts" and "Regulations," respectively.

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the O‘ahu Metropolitan Planning Organization (OahuMPO) hereby assures that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, national origin, English language proficiency, religion, gender and sexual orientation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity,” for which the OahuMPO receives federal financial assistance from US Department of Transportation (USDOT), through the Hawai‘i Department of Transportation (HDOT).

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975), and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipients, so long as any portion of the program is Federally-assisted.

Specific Assurances

More specifically, and without limiting the above general Assurances, the O'ahu Metropolitan Planning Organization agrees with and gives the following Assurances with respect to its Federally-assisted programs and activities.

1. The OahuMPO agrees that each "activity," "facility," or "program," as defined in §§ 21.23 (b) and 21.23 (e) of 49 C.F.R. § 21 will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.
2. The OahuMPO will insert the following notification in all solicitations for bids, Requests for Proposals for work, or material subject to the Acts and the Regulations made in connection with all Federal-Aid Highway Program and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

"The OahuMPO in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."

3. The OahuMPO will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations.
4. The OahuMPO will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.
5. That where the OahuMPO receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the OahuMPO receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.

7. That the OahuMPO will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the OahuMPO with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

8. That this Assurance obligates the OahuMPO for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the OahuMPO, or any transferee for the longer of the following periods:
 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b. the period during which the OahuMPO retains ownership or possession of the property.

9. The OahuMPO will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

10. The OahuMPO agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the OahuMPO also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the USDOT access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the USDOT. You must keep records, reports, and submit the material for review upon request to USDOT, or its designee in a timely, complete,

and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The OahuMPO gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the USDOT Federal Highway Administration or Federal Transit Administration. This ASSURANCE is binding on the *State of Hawai'i*, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors, transferees, successors in interest, and any other participants in the *Federal-Aid Highway Program and Federal Transit Administration*. The person(s) signing below is authorized to sign this ASSURANCE on behalf of the OahuMPO.

Attachment 2 - Appendix A

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation, the Federal Highway Administration, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Nondiscrimination on the grounds of race, color, or national origin.
4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the Federal Highway Administration to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the Federal Highway Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:

- a. withholding payments to the contractor under the contract until the contractor complies; and/or
 - b. cancelling, terminating, or suspending a contract, in whole or in part.
6. Incorporation of Provisions: The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

Attachment 2 - Appendix B
CLAUSES FOR DEEDS TRANSFERRING UNITED STATES PROPERTY

The following clauses will be included in deeds effecting or recording the transfer of real property, structures, or improvements thereon, or granting interest therein from the United States pursuant to the provisions of Assurance 4:

NOW, THEREFORE, the U.S. Department of Transportation as authorized by law and upon the condition that the OahuMPO will accept title to the lands and maintain the project constructed thereon in accordance with the Regulations for the Administration of the State of Hawai'i HDOT, FHWA, OahuMPO, *and* the Regulations for the Administration of the Federal-Aid Highway Program and the policies and procedures prescribed by the *Federal Highway Administration* of the U.S. Department of Transportation in accordance and in compliance with all requirements imposed by Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation pertaining to and effectuating the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252; 42 U.S.C. § 2000d to 2000d-4), does hereby remise, release, quitclaim and convey unto the OahuMPO all the right, title and interest of the U.S. Department of Transportation in and to said lands described in Exhibit A attached hereto and made a part hereof.

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

Attachment 3

Title VI Complaint Procedures

The law prohibits intimidation or retaliation of a person who files a complaint.

1. Any person who believes that he or she, individually, as a member of any specific class, or in connection with any disadvantaged business enterprise, has been subjected to discrimination on the basis of race, color, national origin, age, disability or sex, protected categories under Title VI and other related statutes, may file a Title VI complaint with the OahuMPO Title VI Complaint Officer. A complaint may also be filed by a representative on behalf of such a person. A complaint should be directed to:

OahuMPO Title VI Complaint Officer
707 Richard Street Suite 200
Honolulu, Hawai'i 96813-4623

or

Office of Civil Rights
Hawai'i State Department of Transportation
200 Rodgers Boulevard
Honolulu, Hawai'i 96819

Complaints may also be filed directly with the relevant funding agency:

FTA Office of Civil Rights (Attention: Title VI Program Coordinator)
1200 New Jersey Avenue SE
5th Floor TCR
Washington DC 20590

or

FHWA Office of Civil Rights
1200 New Jersey Avenue SE
8th Floor E81-105
Washington DC 20590

2. To have the complaint considered under this procedure, the complainant must file the complaint no later than one hundred eighty (180) days after:
 - a) The date of the alleged act of discrimination; or
 - b) Where there has been continuing course of conduct, the date on which that conduct was discontinued.

3. Complaint may be filed using the OahuMPO discrimination complaint form (see Attachment 7). If the complaint is received by phone or a written complaint provides incomplete information, the complainant will be requested to complete the OahuMPO discrimination complaint form. The written complaint must be signed and dated by the complainant or their authorized representative. The complaint must contain the complainant's name and address (or specify another means of contacting them) and must describe the allegation in sufficient detail to allow for a determination whether the OahuMPO has jurisdiction over the complaint.
4. If the complaint is received by the OahuMPO office, it will be logged-in by the Secretary or Office Manager and forwarded to the OahuMPO Title VI Officer who will review the complaint. If received by HDOT, it will be processed following the procedures of the respective agency. All complaints filed and relating to FHWA-funded projects will be routed to the FHWA Civil Rights Office while FTA-funded projects will be routed to the FTA Civil Rights Office in for review and final determination of jurisdiction. Both offices are in Washington D.C.
5. Title VI complaints, after review of the FHWA or FTA and assignment of jurisdiction to OahuMPO, will be assigned to the OahuMPO Discrimination Complaint Officer and other designated OahuMPO staff who is trained in conducting such investigation.
6. The first step in conduction the investigation will be the preparation of an investigation plan, identifying the following elements: a) Basis of complaint; b) Issues to be addressed; c) Information needed to answer the question posed (what actually happened, who was involved, past practices, etc.); d) Sources from which the information will be obtained (witnesses, written document, etc.) ; e) How the information will be obtained (telephone interviews, travel to other offices, review of records, etc.) and f) projected timeline for completion.
7. Within ten (10) working days of receiving the complaint and determination of jurisdiction by the FHWA or FTA Civil Rights Office in Washington D.C., the complainant will be notified in writing the OahuMPO Title VI Complaint Officer regarding who will be conducting the investigation and anticipated timeline for completion.
8. One of the first steps in the investigation will be to meet with the complainant to clarify the issues and obtain additional information.
9. The respondent/s (party/parties named in the complaint) will be notified of the complaint.
10. Proceed with the steps outlined in the investigation plan.
11. After completing the investigation, the information will be evaluated and a written report prepared. The report will contain the following elements: a) Description of the allegation; b)

Summary of the investigation; c) Relevant facts (findings); and d) Supporting documents attached, when appropriate.

12. The written investigation report will be submitted to the HDOT Civil Rights Coordinator within ninety (90) days of the time the complaint was received. If circumstances require additional time, a status report will be submitted and a request for extension of time will be forwarded to the Office of the Secretary of Transportation for approval.
13. A copy of the report shall be sent to the Attorney General's Office for their information and file.
14. The OahuMPO Title VI Complaint Officer will meet with the HDOT Civil Rights Coordinator and/or their designees to discuss the findings and what further action may be appropriate. The Civil Rights Coordinator and/or investigator will meet the HDOT Director. The HDOT Director shall make the final decision.
15. Any complainant dissatisfied with the decision of HDOT will be notified of further appeal rights to the following authorities:
 - a. The complainant may seek appeal via administrative hearing via internal HDOT process. This appeal process is governed by §91, Hawaii Revised Statutes.
 - b. The complainant may also file a separate complaint via the FTA Office of Civil Rights, via the contact information below:

Federal Transit Administration Office of Civil Rights
Attention: Complaint Team East Building, 5th Floor-TCR
1200 New Jersey Avenue, SE Washington, DC 20590
Phone: (202) 366-4043
 - c. The complainant may also file a separate complaint via the U.S. Department of Transportation Departmental Office of Civil Rights as detailed at the following link: <https://www.transportation.gov/civil-rights/complaint-resolution/public-complaint-process>.
 - d. The complainant may also wish to file a separate complaint via the Hawaii Civil Rights Commission. More information about this process can be found here: <http://labor.hawaii.gov/hcrc/> and the complaint form for doing so may be found here: <https://labor.hawaii.gov/hcrc/files/2020/11/Intake-Form-PA-AS-10-23-2020-SCRW-10-30-fillable-form-sample-tm-11-20-better-boxes-working-form.pdf>.
 - e. The complainant may also wish to contact the U.S. Commission on Civil Rights for more information about where to find out additional avenues for appeal or complaint, which they can do so at the following link: <https://www.usccr.gov/filing/>.
16. Copies of all OahuMPO Title VI complaint and investigative reports will be sent to the HDOT, who in turn will send such to the FHWA or the FTA Civil Rights Office within 60 days of the receipt of the complaint.

OahuMPO Language Access Plan¹²

1. The OahuMPO's Community Planner will be designated as OahuMPO's Language Access Coordinator.
2. The OahuMPO is committed to providing oral language services in a timely and competent manner as well and to offer written translation of vital documents into the primary language of LEP persons.
3. The Four-factor analysis will be implemented to determine meaningful access:
 - *The number or proportion of persons with Limited English Proficiency ("LEP") to be served or served in the eligible service population.* For determining the population of persons with LEP, the OahuMPO will use the U.S. Census Bureau Language Use data for "Language Spoken at Home" and "Speak English than very well."
 - *The frequency with which persons with LEP comes in contact with the services, programs, or activities of OahuMPO.* The OahuMPO conducts public outreach as part of transportation planning. Contact with persons with LEP is not common but it may occur during periods of public outreach and comment period during major plan updates and planning studies.
 - *The nature and importance of the services, programs, or activities.* The OahuMPO does not provide direct transportation services to individuals nor manage the design or construction of transportation projects. However, it is responsible for information on how federal transportation funds will be expended which directly affects all members of the public. It is important for the needs and desires of persons with LEP to be heard in this planning process. The planning process is often the first of multiple points of contact and opportunities for public input in the project development process.
 - *The resources available to the recipient and the cost for two types of assistance service -oral (interpretation) and written (translation).* The OahuMPO can provide both written and oral assistance services, upon request, but the OahuMPO does not have the resources to translate all documents and provide translation serves at all public meetings as a regular course of business. It will provide, upon request, translations of its major documents. Led by the language access coordinator, it will review its documents and determine which ones are vital documents. If there is a consistent need for translations, it will consider additional appropriate measures to serve the language access needs of those persons. To address immediate needs, it will use the resources provided by the Hawai'i Office of Language Access to identify the need for interpretation in one of 22 languages that are likely to be the primary languages spoken by people with LEP in the island. It will also survey staff and create a volunteer OahuMPO Bilingual staff among those who are willing to help with interpretation. It will refer to the HDOT Language Access plan's list of service providers if it needs to hire an outside interpreter to provide meaningful access. It

¹² Adopted from HDOT Plan Attachment E

will prioritize using the services of those in the State Procurement list with the assumption that these vendors have been vetted.

4. *Informing the public about their rights.* The OahuMPO will be responsible for informing the public of the right to free language assistance in their spoken language. Language identification cards or posting signs in public areas can be used to provide such notice.
5. *Training and capacity building.* All staff members with direct roles in implementing all or any part of this Plan shall be trained. The Language Access coordinator shall facilitate needed training in coordination with the State Office of Language Access, the HDOT and/or the FHWA. Implementation procedures and protocols shall also be developed and updated to ensure that standards of language assistance need are consistently met.
6. *Accountability and reporting.* Language access will be monitored and reported on as part of regular Title VI compliance review. The Plan will be reviewed annually as part of OahuMPO's Title VI Plan updating.
